

# E-Learning Safeguarding Children

- Do you work with children and families across Nottinghamshire?
- Have you attended Introduction to Safeguarding Children training?
- Do you need to update your safeguarding children knowledge?

The NSCB has a free\* online learning package which is suitable for those needing an **introduction** to the subject or wishing to **refresh** their knowledge. In order to access this, learners will need access to an internet ready PC.

The module covers:

- Categories of abuse and neglect
- What to look for
- What to do if you suspect abuse has occurred.

## Benefits of E-Learning

- Takes approx 1 -2 hrs
- Log in and out to suit to you
- Access from any internet PC
- Bright and colourful style
- Provides flexibility
- Apply learning to practice
- Records your progress
- Certificated learning

The module includes a randomly generated 15 question multiple choice test. The pass rate is 75% and it can be retaken until the pass mark is achieved. On passing, the learner can print off a certificate (which meets continuing professional development (CPD) requirements).

\*Free to VCS groups (not for profit organisations) only.
